## About Me

Hi! I'm a B.Tech CSE student having a passion for technology. With a good foundation in technical knowledge and a desire to learn and grow, I'm constantly seeking opportunities to expand my skill set. I possess good problem-solving abilities and have the drive to overcome obstacles and achieve success.

## Training And Project

I've pursued Java training from Coding Ninja and Brain Mentors.

I have successfully completed an internship program in web development under the guidance of Coincent.
